Using Your Dictionary –

Adjectives 1

Use an English-English dictionary and write down what it says next to these words. They are all adjectives, which means they are words which describe nouns.

Tip: Dictionaries usually put (adj.) next to a word if it is an adjective.

1. fresh
2. celebrated
3. kind
4. expensive
5. stupid
6. difficult
7. leafy
8. confusing
9. bright
10. empty

Next: think of a **noun** that can go after each **adjective**, and write a sentence.
